

FOR IMMEDIATE RELEASE

WSI Team Wins the West Island Chamber 2010 Accolades

Montreal, Québec, June 9, 2010 – Montreal Digital Marketing Firm wins the annual West Island of Montreal Chamber of Commerce 2010 Accolades award.

We are pleased to announce that our WSI team of Montreal Digital marketing professionals has won the West Island of Montreal Chamber of Commerce 2010 Accolades competition for the small business category. This annual competition, which is in its 25th year, recognizes local businesses who have distinguished themselves in our community.

The management team of Chris Murray and Laurie McCullagh, would like to sincerely thank our team for their great work over the years and their continued commitment to designing and developing outstanding online solutions for our clients, that deliver measurable results.

They would also like to thank all their clients, who have placed their trust in our team to handle their online marketing requirements and who come back time and time again to refresh their online presence, upgrade the functionality of the Website or undertake a more aggressive paid marketing campaign such as Google Adwords.

About WSI

Our mission is to enhance the business profitability and growth of small and medium sized businesses by continuing as the global leader and provider of Internet Solutions. We work to equip every business owner with the opportunity to strengthen their brand, increase market awareness and enhance operational efficiencies.

To remain truly committed to our slogan – We Simplify the Internet - we listen carefully to our customers' issues and needs to search out innovative technology and proven methods that will help them succeed online. WSI offers custom graphic design, Web development, Search Engine Optimization (SEO), Social Media and Google Adwords and other paid marketing programs.
